**DETAILED ACTION**

***Response to Amendment***

1. Applicant's request for continuing examination (RCE), amendment and accompanying remarks filed 12/21/07 have been fully considered and entered. Claim 1 has been amended as requested. Claims 5-6 are canceled. Applicant's amendments and accompanying remarks are found persuasive to overcome the obviousness rejections set forth in sections 2-3 of the Final Office Action dated 7/16/07. As such, these rejections are hereby withdrawn. Claims 1-4 and 7-16 are found allowable for reasons set forth herein below.

***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance: Claims 1-4 and 7-16 are allowable.

Independent claim 1 is found allowable over the prior art made of record. Specifically, the combination of cited prior art fails to teach the claimed non-woven fabric comprising the hot-melt adhesive polymer and the claimed fiber-forming thermoplastic polymer. An updated art search did not produce any new substantial art for which to base a rejection and presently no motivation exists to combine references to form an obviousness type rejection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***
